Commendations from major Christian figures

Rev. Dr RT Kendall prolific author, itinerant Bible teacher, former Pastor of Westminster Chapel, London England:

In the *Sword of the Spirit* Colin Dye has given us a sound and well-written treatment on the urgently relevant issue of the Word and the Spirit coming together simultaneously. I cannot imagine a better presentation and I recommend it warmly.

Rev. Dr Jack Hayford formerly of the Foursquare Church, USA:

Pastoral balance and apostolic building blocks are basic to establishing believers, cultivating disciples and focusing life-giving ministry that glorifies Jesus Christ and advances his purposes throughout his Church. Pastor-teacher Colin Dye offers that blend here, and with soundness and solidity serves us unto the above enduring purpose.

Rev. Wynne Lewis former Pastor of Kensington Temple, London, England, evangelist, church planter and General Superintendent of the Elim Pentecostal Churches in the UK:

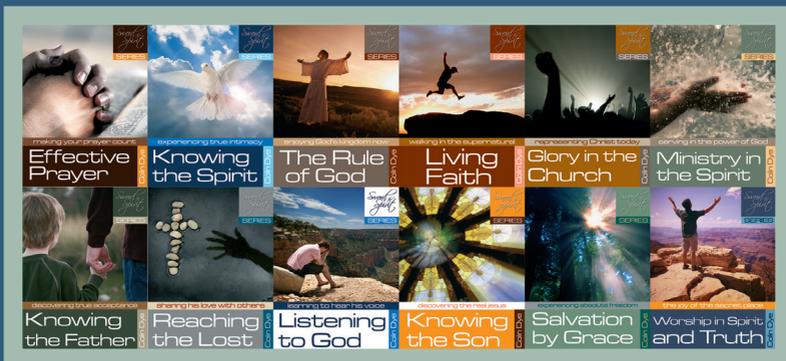

In this exciting series, Colin Dye shows his ability to teach Scripture in a wonderful way. The profound is made simple and easy to understand. Vital truths are expounded with sensitivity, clarity, and directness. The books are great tools to put into the hands of believers young and old.

Rev. Dr Clive Calver, former President, World Relief Corporation and Leader of the British Evangelical Alliance:

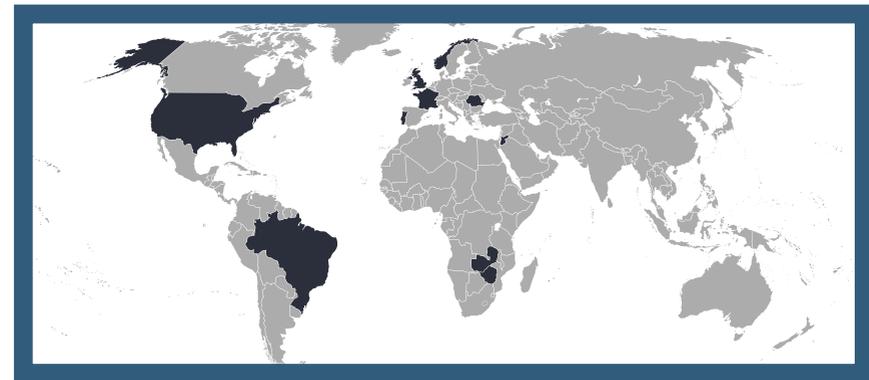

As the former leader of one of the UK's largest churches, Colin Dye has made a unique contribution to contemporary evangelism. A man of deep sincerity and wisdom, his words deserve to be read and re-read. God will speak through these books.

Rev. John Glass, former General Superintendent of Elim Pentecostal Churches the UK:

The *Sword of the Spirit* series is an exceptional set of teaching material and I wholeheartedly recommend it for those who have a desire to study the Word of God in depth. I find it excellent training material for leaders and ministers within our movement. I am delighted this is incorporated into our Elim Training Programme.

This region will never be the same again!

We all experienced a spiritual growth that we never imagined. We didn't want to sleep, eat or do anything. We cannot wait to share this teaching with our people.

Syria

We converts have no spiritual home, as no church would allow us even to attend as visitors, yet Pastor Colin comes all the way from London to be with us and to ground us in the word of God

Iraq

We are now able to relate to the rule and the kingdom of God.

Iraq

For the first time we understood the difficult concepts of the Sermon on the Mount and the Lord's Prayer. Pastor Colin gave us the tools to reach out FEARLESSLY to others in our towns and cities.

The *Sword of the Spirit* as given me a deeper understanding of the Bible. Colin Dye's books have been inspiring.

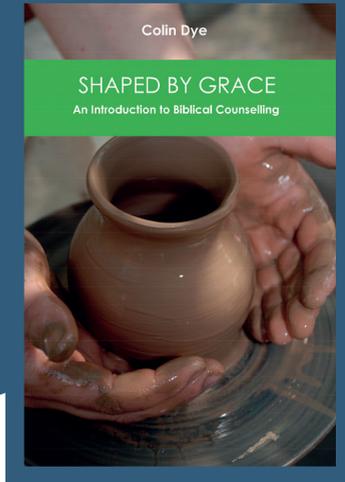

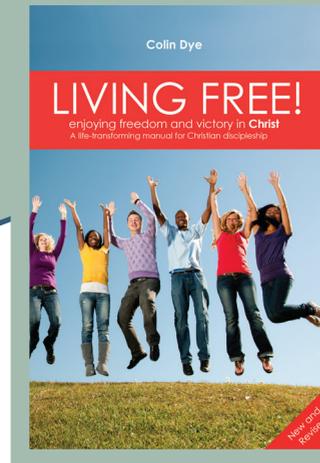

My eyes were opened during *Knowing the Father* module. The focus on my own effort had made my spiritual life wither.

It has been difficult for me to understand and trust that God remains a loving Father even when we have done something wrong. Studying *Knowing the Father* has helped me to dismantle my false image of God and shown me how much the Father loves me.

LIVING FREE! DISCIPLESHIP COURSE.

We've distributed all 50 of the devotional journals you gave us and begun our discipleship course with the first teachings, and I want to express how grateful we are for your obedience to God in writing and designing Living Free. It's already blessing us greatly.
