## IMPACT EXAMPLES

### LEBANON. BEIRUT, LIFE CENTRE

Aslan Ministries supports the work of Mutual Faith, Lebanon and Church of God, Life Centre Beirut, Lebanon.

“Attending the conference deepened my understanding of discipleship and enhanced my leadership skills. I was positively impacted; my heart was touched, and my faith grew. I felt refreshed and gained more insight into Christian ministry, getting to know more about Jesus. The insights gained have been instrumental in leading my Al Massira discipleship group, fostering spiritual growth among participants. We eagerly anticipate Pastor Colin’s return, as we are hungry for more.” — Mohammad, Staff Member at Beirut Life Center

Regarding our refugee work, since 2010, we have been assisting refugees from Iraq and Syria by providing food, mattresses, first aid, and sharing the Gospel of Jesus Christ.

Recently, the conflict between Israel and Hezbollah has displaced many families, including Shiite and some Christian families, who have sought refuge with us. By the grace of God, we have assisted thousands in finding their basic needs.

- We have been able to help them with accommodation and their immediate needs, such as milk for babies, diapers, mattresses, and blankets.
- We have been cooking and distributing hot meals daily to those who have lost their homes.

- Additionally, we provide food boxes filled with essentials like canned food, oil, milk, beans, spaghetti, and tuna.
- Currently, we are cooking 200 hot meals every day.
- This ministry has opened doors to meet new families, enroll more children in our programs, and share the love of Christ.
- We have also started new Al-Masira groups with families and a group for women, focusing on hygiene, social issues, and spiritual growth. We have distributed hundreds of Bibles and Christian literature, allowing individuals to read and learn more about Jesus.

### **MARSEILLE**

From Dimitri and Julie: "we had a quality time with pastor Colin Dye about our Christian Charity. We are currently working with about 500 people in the poorest area of Europe, 3rd district of Marseille. Colin drew a sort of map on our paperboard showing us how he could see the work expand. We can testify how specific and upholding this word has been for us during these last 9 months."

From the church "CEP", a Darbyite council of elders spent time with Colin about the gifts of the Holy Spirit. Jean-Hugues testifies how deep and timely were the words shared with that small group. Since then, our collaboration is growing and that church has opened a new way for the prayer effort of the whole town of Marseille.

From the church in the 15th arrondissement of Marseille, Elim Pentecostal Church, the message on Sunday on forgiveness had a lasting impact on the lives of the people, especially a young woman, a pastor's daughter, who was far from God for years and came back to the Lord through that morning service.

**AMBILLY.** Luc Favre Vie Church and Vie Academy Ambilly

"Colin Dye's ministry has been a blessing to my life and growth, his teachings, preaching and faith have been truly inspirational". Thank you for teaching us with such devotion and wisdom. Jazmin (Vie Academy Student)

"I have been fortunate to be taught by Colin on his Sword of the Spirit books and this has greatly strengthened and encouraged me in my faith in Christ. He has been for me a passionate teacher of Christ who shares what Jesus has put in him with joy and love. Thank you Colin". Noah (Vie Academy Student)

"What a grace to have had Colin Dye teach us about his books 'Sword of the Spirit'. It was very edifying and strengthening for my faith. It motivated me and gave me a thirst for biblical meditation and it was just a good time because Colin Dye also has a wonderful personality and a lot of wisdom. " Winnifried (Vie Academy Student)

"It was a real privilege for me to spend time with Colin, a person of integrity, full of life and joy! He brought me a lot through the teachings of the sword of the spirit, he enriched my passion for Christ and developed a thirst for the Word of God in me". Benjamin (Vie Academy Student)

I was lucky enough to be taught by Colin Dye. It's having experienced the wisdom of Christ's knowledge and love through his word. I really liked his joy of living when you taught us. And for the rest of my journey with God, it gave me so many keys to deepening my relationship and knowing more about who God really is through the Word. Thank you for this year. Josué (Vie Academy Student)

CURITIBA Tabernacle de David, Church Conference

When Colin Dye explained the meaning of the word "anointing," I understood that, because of the Holy Spirit, I do not need to be captive to any limitations that this world imposes on me. That changed my life. Stephanie

SAO PAULO Torre Forte, Missions Conference

"For us in Votorantim, it was wonderful to have the experience of hearing and seeing such a blessed man who inspired us to want more from God and to be Deep in God".

"His life impacted me with his humility and love for God. And his words were a balm for our hearts, challenging us to go deeper and love God even more".

"We were activated in our anointing to fulfill our calling, because we are anointed by God; to do His will here on earth: to preach, to free and to heal".

"During this ministry, God visited me with healing in my hip and femur". Bishop Antônio Perez Filho
